Development Projects

Custom Digital Signage
Oct 2021 — Nov 2021

▷ A web application used for indoor digital signage
▷ Created a custom animated slideshow for posted announcements using React and Redux
▷ Implemented a way for users to update announcement pictures using Firebase Firestore

Vocabulary Matching Game
Sept 2021

▷ An interactive web application where users can match words with definitions
▷ Implemented card shuffling using random number generator and Fisher-Yates algorithm
▷ Implemented card animations based on state using custom CSS animation properties

Non-Profit Landing Page
Feb 2021

▷ A fully responsive brochure website, built in React using my own custom CSS properties
▷ Utilizes Material UI for icons and layout features, such as the navigation bar
▷ Implemented multiple page routes using React-Router

Design Projects

Kids Town Redesign
Feb 2022

▷ A freelance branding redesign project for a local religious organization
▷ Created a style guide containing typography information as well as how to use branding elements, such as patterns and textures

Cornerstone Branding
Oct 2021

▷ A freelance branding design project for a local religious organization
▷ Created a style guide containing typography information as well as how to use branding elements, such as patterns and textures
▷ Designed a custom brochure that could be edited by the client in Microsoft Word

Relevant Experience

Visual Designer @ EcoScience Resource Group
Feb 2021 — Present // Baton Rouge, LA

▷ Designed info-graphics in Illustrator, using existing company style guide
▷ Designed and illustrated new design elements for new projects
▷ Worked within a team to create a new isometric design system for Chevron Philips training manuals
▷ Produced PowerPoint presentation slides for training programs

Web Development Intern @ Entrepreneurs Across Borders, Inc.
Sept 2020 — Feb 2021 // Baton Rouge, LA

▷ Designed a prototype for the new landing page using Adobe XD
▷ Helped build the new landing page using the Wild Apricot CMS and page builder
